

Fee Waiver Policy

A Fee Waiver Application may be submitted for those students: Who are eligible for free school lunch Who are in state custody or foster care Whose families are receiving public assistance through FEP Who are receiving Supplemental Security Income (SSI) Whose families are financially unable to pay because of exceptional financial burdens beyond the family's control; these determinations are made on a case-by-case basis by school administrators. If a fee waiver application is presented, the school will request verification of fee waiver eligibility. Fee waiver applications may be obtained from the Front Office or the website: www.aaiutah.org. Alternative work assignments may be requested in lieu of school fees or fines. These tasks will be a fair exchange of time for the fees waived, and will be appropriate for the age and ability of the student. Fines are not fees, and cannot be waived. Fines may be charged for damaged school property, library/lost book fines, and other such items. Refundable deposits may be charged to ensure the return or replacement of loaned tangible items. Charges for locker use, class rings, yearbooks, school pictures, monogrammed clothing, and similar items are not fees. They are optional purchases, and are not eligible for fee waivers. Charges for Concurrent Enrollment and Advanced Placement courses, and fees related specifically to college or post-secondary grades or credit are not subject to fee waivers. The fee schedule and fee waiver information will be made available to students and parents on the designated school registration days and on the days in August leading up to the first week of school. Fee waiver applications are due on or before October 15th of each school year. All cases made after that date will be reviewed and approved or denied by the AAI Administration.
